

Important Safety Instructions

- Turn off all power to the Junction Box before making any electrical adjustments.
- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.

To Assemble

1. Set the pendant on a flat surface, and screw in the bulb to the main body. ***Do not over-tighten the bulb.***
2. Slide the shade over the main body and flush the shade bottom with the top surface of the tab on the main body. ***Do not install the shade before installing the bulb to the main body.***
3. Install the beveled mounting disc to the J-box using the supplied machine screw hardware (2X).
4. Hold the shade in place on the main body, bring the pendant next to the J-box, and connect the wires to those in the J-box using the supplied lever nuts.
5. Loosen each set screw (3X) at the 120° position on the pendant ceiling plate.
6. Push the ceiling plate over the mounting disc, flush with the ceiling, and tighten each set screw (3X).
7. Turn on the power to confirm you have made good wire connections.
8. ***Do not leave the crystal hanging without the bulb installed at any given time. When changing the bulb, make sure to hold the crystal, so it can not fall.***

Care Instructions

- Wipe with a soft cloth. Do not use chemical cleaner.
