

Installation Instructions

Corniche Pendant

Important Safety Instructions

- Turn off all power to the Junction Box before making any electrical adjustments.
- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.

To Assemble

1. Securely thread the All-Thread into the Main Body. Fish the wires through to the other end.
2. Slide the Drop Rod over the All-Thread flush with the Main Body.
3. Slide the Ceiling Plate over the All Thread and tighten the washer and nut using a wrench.
4. Install the beveled Mounting Disc to the J-box using the supplied mounting screw hardware (2X).
5. Hold the fixture next to the J-Box, and connect the Pendant wires to those in the J-box using the wire nuts.
6. Push the Ceiling Plate over the Mounting Disc, flush with the ceiling and tighten the each set screw (3X).
7. Hold the shade so that it's aligned with each thumb screw hole. Screw the thumb screws (3X) securely against the shade.
8. Screw in the light bulb in place.
9. Turn on the power to confirm you have made good wire connections.

Care Instructions

- Wipe with a soft cloth. Do not use chemical cleaner.
