

Installation Instructions

Corniche 4 Light Pendant

Important Safety Instructions

- Turn off all power to the Junction Box before making any electrical adjustments.
- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.

To Assemble

1. Install the mounting disc to the J-box using the supplied machine screw hardware (2X).

2. Feed the electrical wires through the all thread. Then, attach the all-thread to the main body and secure it using the set screw (1X). Slide the drop rod over the all thread.

3. Slide the canopy onto the all thread until flush with the drop rod. There should be 1/2" of all thread above the drop rod. If not, loosen the set screw and adjust. Tighten the provided lock washer and nut to make a secure connection.

4. Connect the wires from the chandelier to those from the J-Box using the Wago wire connectors.

5. Loosen the set screws (3X) and push the ceiling plate over the mounting disc, flush with the ceiling and tighten the set screws (3X) using the supplied allen key.

6. Place the shades (4X) over the armature and tighten with the finial cap (4X).

7. Screw in the bulbs (4X).

DO NOT OVERTIGHTEN THE BULBS

8. Turn on the power to confirm you have made good wire connections.

Care Instructions

- Wipe with a soft cloth. Do not use chemical cleaner.

*We recommend installation by a licensed electrician

Electrical: 4 x E12 5W LED bulb only
