

Important Safety Instructions

- Turn off all power to the Junction Box before making any electrical adjustments.
- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.

To Assemble

1. Use the supplied mounting screws (2x) to fasten the mounting disc to the J-Box.
2. Using the supplied lever nuts/wire nuts, connect the wires from the fixture to those in the J-box.
3. Push the ceiling plate sub-assembly over the mounting disc, flush with the ceiling and tighten the 3x set screw using the supplied allen key.
4. Slide the crystal shade over the socket cover and secure it by screwing in the threaded ring on the socket cover using the tool (provided).
5. Screw in the light bulb (1x). Do not over tighten.
6. Turn on the power to ensure you have made good wire connections.

Care Instructions

- Wipe with a soft cloth. Do not use chemical cleaner.
