

Important Safety Instructions

- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.

To Assemble

1. Gently remove the stem and base from the packaging and place them on the floor.
2. Secure the stem to the base using the provided nut as shown in the figure.
3. Slide the shade over the socket cover and secure it using a threaded ring.
4. Screw in the bulb. *Do not over-tighten the bulb.*
5. Turn on the power to confirm you have made good wire connections.

Care Instructions

- Wipe with a soft cloth. Do not use chemical cleaner.
