

Installation Instructions

Trumily Cloche Pendant

Important Safety Instructions

- Turn off all power to the Junction Box before making any electrical adjustments.
- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.

To Assemble

1. Install the beveled mounting disc to the J-box using the supplied machine screw hardware (2X).
2. Hold the ceiling plate near the installed mounting plate, and using the supplied lever nuts, connect the wires from the fixture to those in the J-box.
3. Remove each set screw (3X) at the 120° position on the pendant ceiling plate.
4. Push the ceiling plate over the mounting disc, flush with the ceiling, and tighten each set screw (3X).
5. Slide the top cap and cloche shade over the main body and screw on the collar to secure them properly.
6. Screw the light bulb in place. *Do not over-tighten the bulb.*
7. Turn on the power to confirm you have made good wire connections.

Care Instructions

- Wipe with a soft cloth. Do not use chemical cleaner.
