

# Installation Instructions

## Chartier Hanging Sconce

### Important Safety Instructions

- Turn off all power to the Junction Box before making any electrical adjustments.
- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.

### To Assemble

1. Install the beveled mounting disc to the J-box using the supplied mounting screw hardware (2X).
2. Hold the wall plate next to the J-Box, and connect the wires to those in the J-box using the Wago wire connectors.
3. Loosen the set screws (2X) at the 12:00 and 6:00 position on the sconce wall plate and press the sconce over the mounting disc, flush with the wall.
4. Level the sconce and tighten the set screws (2X) to finalize the installation.
5. Gently squeeze the shade bracket to allow the bracket to pass through the interior of the shade until the foot of the bracket is below the crystal.
6. Slide the shade up along the cord and screw in the bulb.
7. Slide the shade down into place. Ensure the bracket ledge sits beneath the shade to securely hold it in place.
8. Turn on the power and check that good connections have been made.

\*Do not leave the crystal hanging without the bulb installed at any given time. When changing the bulb, make sure to hold the crystal, so it can not fall.\*

### Care Instructions

- Wipe with a soft cloth. Do not use chemical cleaner.

\*We recommend installation by a licensed electrician

Electrical: 1 x E26 3.5W LED bulb only
