

Important Safety Instructions

- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.
- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.

To Assemble

1. Gently lift the lamp body vertically out of the packaging and place on protected surface.
2. Slide the shade over the socket cover and lamp body. Align the shade with the shade holder and secure it using the provided thumb screw.
3. Screw in the bulb. *Do not over-tighten the bulb.*
4. Turn on the power to confirm you have made good wire connections.

Care Instructions

- Wipe with a soft cloth. Do not use chemical cleaner.
