

Installation Instructions

Dessay Floor Lamp

Important Safety Instructions

- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.
- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.

To Assemble

1. Gently remove the stem and base from the packaging and place them on a protected surface.
2. Secure the stem to the base using the provided nut and washer as shown in figure 1.
3. Slide the shade over the socket cover and lamp body. Align the shade with the shade holder and secure it using the provided nuts and screws. Shown in figure 2.
4. Screw in the bulb. *Do not over-tighten the bulb.*
5. Turn on the power to confirm you have made good wire connections.

Care Instructions

- Wipe with a soft cloth. Do not use chemical cleaner.
