

**Important Safety Instructions**

- Turn off all power to the Junction Box before making any electrical adjustments.
- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.

**To Assemble**

1. Install the beveled mounting plate to the J-box using the supplied mounting screw hardware (2X).
2. Place the sconce body on a protected surface, carefully slide the glass panel into place, then secure it by tightening the caps (4X).
3. Hold the wall plate next to the J-Box, and connect the wires to those in the J-box using the Wago wire connectors.
4. Loosen the set screws (2X) at the 12:00 and 6:00 position on the sconce wall plate and press the sconce over the mounting disc, flush with the wall and tighten each set screw (2X).
5. Turn on the power to confirm you have made good wire connections.

**Care Instructions**

- Wipe with a soft cloth. Do not use chemical cleaner.
