

Important Safety Instructions

- Turn off all power to the Junction Box before making any electrical adjustments.
- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.

To Assemble

1. Install the beveled mounting disc to the J-box using the supplied machine screw hardware (2x).
2. Hold the ceiling plate near the installed mounting disc, and using the supplied wire nuts, connect the wires from the fixture to those in the J-box.
3. Loosen each of the 3x set screws positioned at 120° intervals on the pendant ceiling plate.
4. Push the ceiling plate over the mounting disc, flush with the ceiling and tighten the each set screw (3X).
5. Screw in the bulb onto the socket. *Do not over-tighten the bulb.*
6. Place the shade onto the socket cover, ensuring it rests firmly on the 3x pins on the socket cover.
7. Turn on the power to confirm you have made good wire connections.

Care Instructions

- Wipe with a soft cloth. Do not use chemical cleaner.
