

Installation Instructions

Dauphine Sconce

Important Safety Instructions

- Turn off all power to the Junction Box before making any electrical adjustments.
- Always disconnect the power before installing/replacing bulbs, during cleaning or maintenance.
- To avoid the risk of fire, do not exceed the recommended wattage.
- Consult a qualified, licensed electrician before installation.

To Assemble

1. Install the beveled mounting disc to the J-box using the supplied hardware.
2. Using the supplied wire nuts, connect the sconce wires to those in the J-box.
3. Remove the set screw at the 12:00 position on the sconce wall plate and press the sconce over the mounting disc, flush with the wall.
4. Level the sconce and tighten the set screw to finalize the installation.
5. Push the Shade Ring onto the Socket Cover and slide the Shade over the Shade Ring.
6. Screw in the bulb and turn on the power to confirm you have made good wire connections.

Care Instructions

- Wipe with a soft cloth. Do not use chemical cleaner.
